INDIGOXL  
THE XCLUSIVE LOUNGE

# Feel Free

Get the feel of lounge in the New Indigo XL

In today's intrusive world, personal space is at a premium. Space that can only be yours, where you can be with yourself, sort out your thoughts in personalized luxury and comfort. Space where you can listen to your favourite music, communicate with the world when you want to and relax. Or conduct business. Your own personal lounge where you are the master and sharing it and how is entirely your discretion.

6 Way Powered Front Seats

Integrated DVD Entertainment System

Unmatched rear Legroom & Seat Incline

Rear AC Console with separate Control

Car Phone with wireless communication interface

ORVMs with Side Repeater Lamps

The new long wheelbase Indigo XL epitomises luxury travel. Sink into the soft leather seats and experience legroom unrivalled by any other car in the country. Enjoy the latest movie while you relax, or simply unwind over a cold drink from the chiller box, close at hand. Catch up with colleagues or conduct meetings over the car speakers. The internet too, is at your ready disposal. Choose between two new advanced engines - a 4 valves per cylinder, refined 101 PS petrol or the silent, high torque 70 PS DICOR common rail diesel. The new Indigo XL. It's your very own lounge on wheels. See it to believe it.
