Preview

REAL ESTATE INDIA 2005

has started a new revolution in Real Estate industry of India. The exhibition won the hearts of People in North America, who are looking at it today as a great Investment Opportunity, and of course a preferred destination to live. This Exhibition has been a great Perception Changing and Image Building Exercise for Indian economy as well as the real estate in India. This Exhibition will surely have an impact for years to come, and it has created a path to opening of New Avenues.
